Press Release

Weatherhead 100 Award Recipient

Kent, Ohio, January 2, 2015: Recently County Fire Protection Inc was awarded the prestigious Weatherhead 100 Award. The Weatherhead 100 identifies the 100 fastest growing companies in Northeast Ohio based on revenue from 2009 through 2013. Companies on this list must have had sales of a least \$100,000 in 2009 and more than \$1 million in 2013. Winning companies must have had a minimum of 16 full-time employees in 2013.

“This is our 9th year receiving this distinguished award. We are humbled by this accolade and will continue providing life & fire safety services – as we celebrate 16 years of being your one-stop, fire safety provider” said Lori Ann Crowe, Regional Human Resources Manager at County Fire Protection Inc.

With County Fire Protection’s full service offices located throughout Ohio (Kent, Columbus & Toledo). CFP customers include every industry from small gas stations, office buildings, hotels and universities, & heavy industrial settings (Refinery, Steel and Auto).

At County Fire Protection, Inc., we are aiming to continue the tradition and values established in 1999, by John Lubinski. He opened his first business with the desire to offer a full service fire protection company that would sustain growth, profitability and offer exceptional service that would exceed current and future customers’ expectations for generations to come!
